

DECISION-MAKING

Decision-Making Strategy:

- 1. CHALLENGE (State the problem.)**
- 2. CHOICES (List all possible solutions.)**
- 3. CONSEQUENCES (State the pros & cons of each choice.)**

When you make a choice, you have to give something up. The second-best choice is called “the Opportunity cost.” The opportunity cost is the thing you gave up so you could have your first choice.

Discussion

1. What was the most important decision you have ever made? Explain your decision and how you made it.
2. What were the consequences to your choices?
3. What are some decisions you may have to make to be successful in school?
